

Remembrance Day

Today in school we recognised the period of remembrance. Year 5 pupils read poems that helped all pupils reflect and remember the significant bravery and loss of war. Pupils also learnt about the significance of different coloured poppies and their meaning.

Tollgate Children

As many of you will have noticed, we have some new children at school. They stand outside our main gate on the double yellow lines during the day to help keep that area free from parked cars. Please remember that there are double yellow lines next to the school gates and they should be respected. Please be vigilant and help to keep all of our children safe.

To show our support for Children in Need, Tollgate Teachers and Children are invited to take part in our fundraising non uniform event 'Make it spotty'.

On Friday 17th November we would like you to be as creative as possible in wearing your spotty clothing and accessories. This could include your most colourful spotty t-shirts, spotty socks or spotty hairbands.

Afterschool there will be a cake sale to raise money. Last year we raised £450.00. We are looking to raise even more

Tuesday 2nd January 2018

Return to school

Wednesday 3rd January 2018

After School Clubs

There will be no after school clubs on Tuesday 14th November and Thursday 16th November due to Parents' Evening. Clubs will run as normal on Monday and Wednesday.

School FLU Immunisation

It's that time of year when the Newham immunisation team are coming back into Tollgate to offer children from Reception to year 4 the nasal flu vaccine.

The flu is an illness caused by the influenza virus; it is common during the winter months. The vaccination programme is designed to protect your child against flu which can be an unpleasant illness.

The Immunisation team will be at Tollgate on 20th November 2017 helping to protect children from the flu virus in time for the winter.

Please make sure all forms are returned to the school office. This includes those who do not wish their child to have the vaccine.

Swimming lessons

Swimming is a key life skill and children at Tollgate attend swimming lessons in year 4. We would like to encourage all pupils to continue to attend swimming classes so that they become competent swimmers before they leave primary school.

The Weather is Changing

The weather is changing, children need to bring coats to school and be wearing them at playtimes. It is chilly and rain showers are happening frequently.

Please remember to label clothes clearly with your child's name.

Winter Care

As the weather is getting increasingly colder, it is important that your child comes to school in warm clothing. Please ensure your child wears suitable shoes to school and if boots are worn on winter mornings, children must also

have a change of shoes for school wear.

Attendance Stars

Last week our star class was

5C with 99.0%

The rate in the school as a whole was 97.0%
