

### Visitors for Chile

This week Tollgate had the honour of hosting the visit of His Excellency Jaime Quintana Leal, The President of the Senate of the Republic of Chile. Accompanying The President of the Senate was Sr. Kenneth Pugh Olavarria, a Senator representing the Valparaiso region of Chile. Our guests were here to see the high standard of education delivered at Tollgate and to share our classroom practice with Chilean teachers. Our distinguished guests toured the school and talked with all the children in their classrooms. We were proud to share our achievements with our guests and the senators were very impressed with the children's learning. The visit was organised by The British Council who recently awarded The British Council's International School Award to Tollgate for the 6<sup>th</sup> time. Well done to everyone for being part of this outstanding school.
