#### **Offers include:**

**Family relationship matters:** A coach will work with you to reduce arguments and promote healthy communication.

**Family money matters:** Providing information, guidance and support for families who are worried about money, housing and unemployment.

**Parenting Befriending:** A bespoke parenting befriend service for parents/carers of children and young people aged 0-16 years old. This service will provide support on challenging matters such as finance, relationships and online safety.

### Medication

A reminder to all parents/carers, if your child has a medical condition or allergy and requires medication at school please ensure the medication you provide the school is prescribed from a chemist in its original packaging with the child's name clearly visible and within date. Please note the child's parent/carer must complete and sign a form before any medication can be administered.

Parents will be given a month's notice in advance for any medication soon to expire in order for it to be replaced as soon as possible. Please keep the school updated as to your child's medical needs in order for us to have up to date records. If you have any question, please see Mrs Stubbs who is our Chief First Aider at Tollgate.
