

Policy title	:	Supporting Pupils with Medical Conditions Policy
Date approved	:	September 2020
Review date*	:	September 2022

\*Please note that should any further national guidance be issued by external agencies that are relevant to this policy, it will be updated accordingly prior to the review date shown above and re-circulated.

We at Tollgate Primary School have a legal duty under the Children and Families Act 2014 to support pupils with long-term medical conditions such as diabetes, asthma and epilepsy, and we will ensure that these children have full access to the curriculum, all sporting activities and educational visits so that they can play a full and active role in school.

We will work closely with parents/carers, health and social care professionals to ensure effective individual health care plans, monitoring, reviewing and updating procedures are in place to support children with long-term medical conditions.

We want parents to feel confident and reassured that we are providing effective support that involves:

- Having good links with local health and social care services;
- Allowing children easy access to their inhalers and medication;
- Administering medication when and where necessary;
- Not ignoring the views of children, parents and medical professionals;
- Allowing children to participate in all curriculum, sporting and school activities;
- Providing assistance when a child becomes ill;
- Allowing children with medical conditions to take drinking, eating or toilet breaks when and where necessary;
- Not penalising a child for poor attendance due to their medical condition;
- Dealing with children's social and emotional problems linked to their medical condition;
- Building confidence and promoting self-care

Administration of medicines by any member of the school personnel is undertaken purely on a voluntary basis and individual decisions will be respected. However, appropriate training will be provided before any member of the school personnel who has volunteered and accepted this role to be familiar with all administration of medication procedures.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

This policy should be read in conjunction with the following document:
