

Children In Need

This year BBC Children in Need are supporting mental health and wellbeing. To show our support, children came to school in clothes that embraced their identities and encouraged them to be themselves.

Thank you to everyone that donated.
Overall we raised £231.20

Free School Meals

As you are all aware all children receive a free school meal in Newham, however this does not entitle every family to receive any FSM vouchers. It was announced by the government that vouchers will be made available for the Christmas holidays this year.

Please ensure you check if you are eligible. The criteria is on our website. You can also check and apply by clicking:

Marvellous Me

Keeping you informed of your child's activities and achievements at school is important to us, so we are excited to use the MarvellousMe parent engagement system. Marvellous is a free app that you can share with partners, grandparents and carers.

A consent form has been given to your child. We ask that these be returned as soon as possible. Without your permission we are unable to upload any of your child's progress.

Flu Vaccinations

Please make sure you return your Flu Vaccinations forms to the office. If you do not want your child to have this vaccination, you need to state so on the form. Vaccinations are being administered on Tuesday 1st December 2020.

The weather is changing, children need to bring their coats to school and wear them at playtimes. Also label your children's clothes clearly with your child's name. Please ensure your child wears suitable shoes to school and if boots are worn on winter mornings, children must also have a change of shoes that are suitable for school.

Handwriting Award

The following children have been given a special reward for their consistently beautiful handwriting and always presenting work to a high standard. Well done!
