

## Update on School Building Works

Dear Parents/Carers,

Throughout this year we have had major building works taking place to provide us with a beautiful £5 million extension. The works are expected to be completed by October half term and our brand new state of the art school kitchens will open in September.

As we enter into phase 2 of the building project, we will have to close the old school kitchens from this Friday 8<sup>th</sup> June. I apologise for the inconvenience that this will cause but the building team need access to demolish the kitchen and transform the space into an office and classrooms.

For the remaining weeks of the summer term, a free packed lunch service will be available to all children. This will consist of a sandwich, a piece of fruit, a cold drink and a dessert. As is the current practice, all children's dietary needs will be accommodated. This is a temporary arrangement to see us through the final part of the building project and I look forward to restoring a full service in the autumn term.

Kindest Regards

Tom Canning  
Headteacher

## Class Photos

Due to technical difficulties, we are having to retake class photos on Monday 18th June 2018.

Can I ask that all children wear full uniform including red ties.

Ties are available in the office for £3.00.

Once you've put your order in, all class photos will be available for the end of term.

## Collection of Plastic Bottle Caps

Tollgate will be creating a mural using recycled plastic for an art display in the bottom hall. We ask all parents and pupils to bring in all of their plastic bottle lids. They can be any shape or colour as long as they are plastic.

### Year 5 visit to Lille

Children in Year 5 had to get up extra early on Thursday in preparation for their visit to Lille, France! After a coach journey to St Pancras, they ventured through customs and were on a train to France. Glorious sunshine and appreciation of the cannonballs lodged into the architecture were the main order of the day. The children had lunch in the park before taking a stroll around Lille's Zoo. They had a chance to grab an ice-cream and practice their French before heading back to England!

### Alzheimer's Coffee Morning

On Thursday 14<sup>th</sup> June, Tollgate will be holding a fundraiser cupcake and coffee morning for all parents to attend. This will be held in the Staffroom between 9am-10am. This is a chance for all for us all to be creative with our baking to make amazing cupcakes and cakes to share. All proceeds will be going to the Alzheimer's society to fight against dementia.

If you would like to donate any cupcakes and cakes we would be very grateful. Please bring all donations to the front office.

The Alzheimer's society support those that have been diagnosed with dementia. This can be severe and affects daily lives in areas of memory loss, problem solving and language. The society offer support for daily living, help with care, legal and financial support and many more.
